Eden, 943 * Harvest Date: Sep. 13th, 2015 * Native Yeast Fermentation * 25% Whole Cluster * Elevage: 10 months in neutral, 5 year, air-dried 228L barrels * Farming Practices: Dry farmed/Organic/ Biodynamic

This single vineyard bottling from Sequitur is two barrels composite. Half of the composition was Clone 943, 100% destemmed and fermented in a terracotta amphora. This produced a luscious wine with ripe blue fruit and sweet earthy tones mixed with just a hint of red terracotta texture. This was mixed with our favorite 50% whole cluster barrel. Always keeping it as natural as possible, we fermented with native yeasts, added a tiny touch of acid and minimal sulfur, and bottled unfined and unfiltered.
