

HUNDRED SUNS WINE

Hundred Suns Wine

2018 Elephant Mountain Grenache

Yakima Valley * Washington

Alc / Vol: 14.2%

AVA: Yakima Valley, WA * Elevation: 1320-1460 Ft. * Exposure: South/Southwest * Soils: Warden silty loam * Clones: Entav 136 * Native Yeast Fermentation * Elevage: 12 months in terracotta amphora, 5 months neutral oak *

The Grenache was left 100% whole cluster in a sealed tank for 20 days. Once opened, the fully intact grapes were pressed and fermentation was completed with native yeast. The wine then aged in a terracotta amphora for 12 months until it was transferred to neutral oak, where it aged for five additional months.

This yielded a wine with layers of decadent strawberry and raspberry fruit accented with cinnamon.

Bottled unfinned and unfiltered.
