## Vintage & Vinification::

A cool and lengthy growing season gave us wines of modest alcohol and incredible flavor. Once harvested our Gamay was divided into three lots. The first 100% destemmed, the second 50% whole cluster and the third 100% whole cluster Carbonic. Aged in a combination of Amphora and neutral oak for 11 months. This bottling is filled with juicy red fruit, crunchy textures and refined acidity. Bottled Unfined and Unfiltered.

## Vineyard:

This historic estate was established in the early 1970s by pioneer Bill Fuller. Our parcel of Gamay (in fact, the only gamay planted at the site) came from a hidden corner of the vineyard and was uncovered by our friend, Evan Martin, who offered us a one-acre piece of this amazing site planted on marine sedimentary soils.
