Very deep color with a rich, dark and deeply earthy nose, offering fresh roses, fine spice, hoisin, dark cherries, plums and forest wood. The palate delivers a super rich and very powerfully structured style, commanding dark plums and impressive volume. Focused and powerful. Fine to drink now, but better from 2023.

This has a very fresh, attractive nose with roses and violets, as well as boysenberries, red cherries and a savory, stony edge. Some sappy nuances, too. The palate is very succulent and has strikingly fresh red berries and cherries, underscored with vibrant acidity and a very uplifting, dynamic finish. A richer vintage, made in a fresher style, works very well here. Drink or hold.
